

DPRG RBNV Chat Record - March 11, 2025

00:05:16.560,00:05:19.560

Mark R: Well done Fernando! Gold star!!

00:05:51.919,00:05:54.919

Paul Bouchier: Fernando showed a single swerve wheel robot driving around in the outdoors. It had 3 omni wheels plus the swerve drive wheel.

00:11:31.128,00:11:34.128

Paul Bouchier: Mike W showed his 6-can robot with two 8x8 sensors detecting cans on rviz as detected by the ToF sensors

00:13:06.754,00:13:09.754

Paul Bouchier: Mike's robot is mechanically complete now.

00:14:25.756,00:14:28.756

Paul Bouchier: Claws are paddles on servos

00:17:31.183,00:17:34.183

Ray Casler: Is that high grade Canadian plywood ?

00:22:02.310,00:22:05.310

Mark R: I think Mike needs a star!! Looks great!!

00:29:48.100,00:29:51.100

Paul Bouchier: Welcome Sunrut

00:30:12.191,00:30:15.191

Sunrut: Hello Sir! Apologies for the delay

00:30:41.010,00:30:44.010

Paul Bouchier: I'll put you on after Pat finishes

00:54:27.384,00:54:30.384

Carl Ott: `nan_value = float('nan')`

01:06:00.373,01:06:03.373

Carl Ott: here's a way to get both values on the same line `print("{} {}".format(x, y))`

01:11:47.618,01:11:50.618

Sunrut: I may have to leave now; however, I was wondering whether there was someone I could contact in case my First Robotics team needs help? We do not have a mentor and it becomes

difficult for us to troubleshoot problems as an entirely student-led team.

01:12:11.571,01:12:14.571

Mark R: Are you in our Discord chat Sunrut?

01:12:30.438,01:12:33.438

Sunrut: No, could you send the link?

01:13:25.572,01:13:28.572

Mark R: send an email to president @ dprg.org and we will get you a link asap

01:13:47.858,01:13:50.858

Sunrut: Ok, thank you!

01:13:59.514,01:14:02.514

Sunrut: I am going to leave now, thank you everyone for having me!

01:14:15.876,01:14:18.876

Paul Bouchier: Hold on a sec - let's interject if you have time

01:14:25.895,01:14:28.895

Paul Bouchier: Do you have a little more time Sunrut

01:14:37.733,01:14:40.733

Sunrut: I can stay for 10 minutes

01:22:58.371,01:23:01.371

ed mart: Link belt ?

01:23:42.461,01:23:45.461

Carl Ott: fun discussions but I have to bail early tonight - catch y'all next time

01:56:53.658,01:56:56.658

Paul Bouchier: Fernando, you're up next
